Memories — light the corners of my mind

*Misty water colored memories — of the way we
were ...*

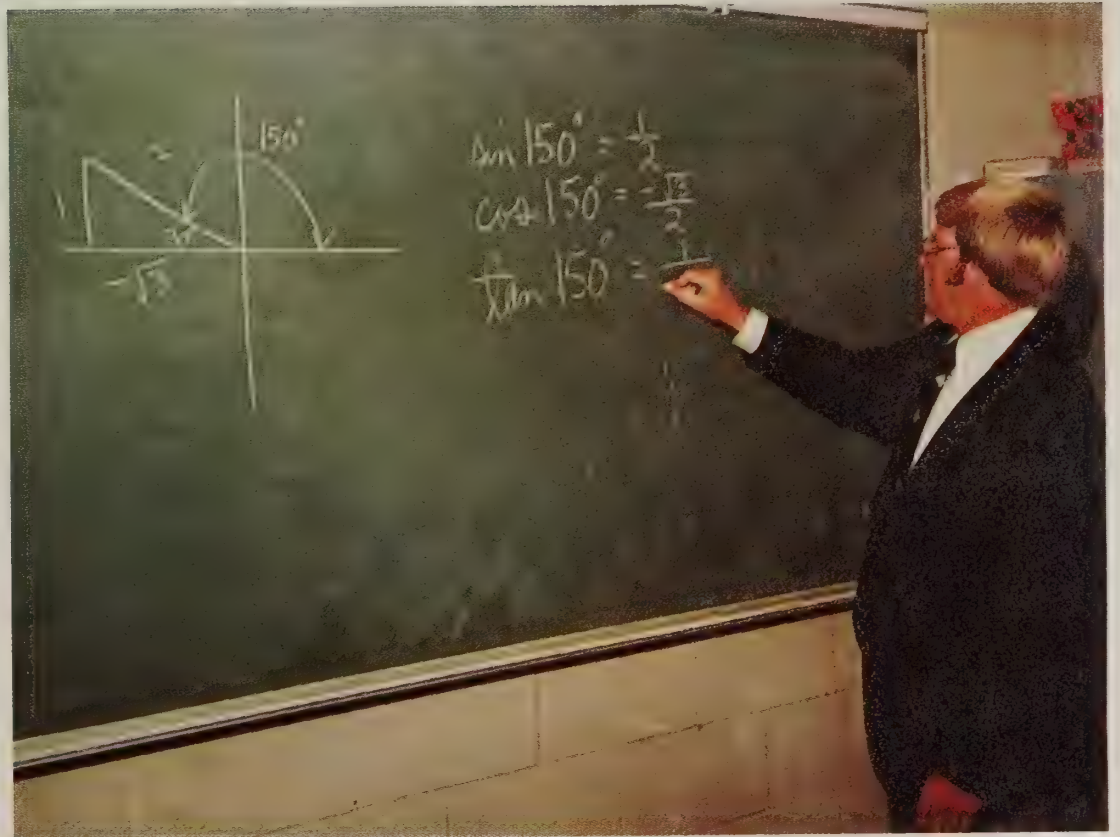

Can it be that it was all so simple then,

or has time rewritten every line?

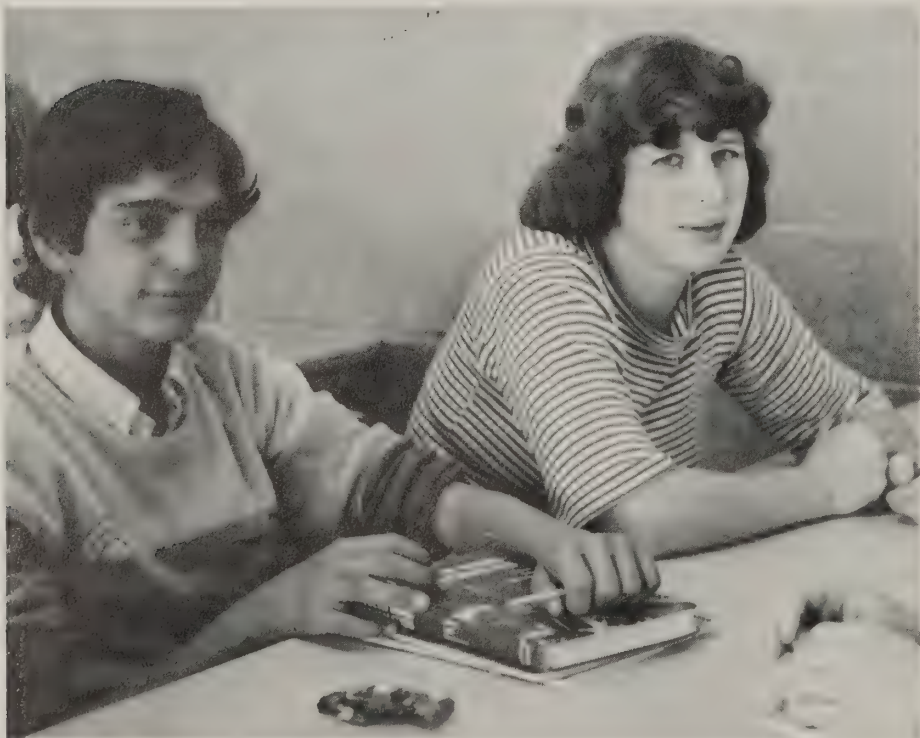

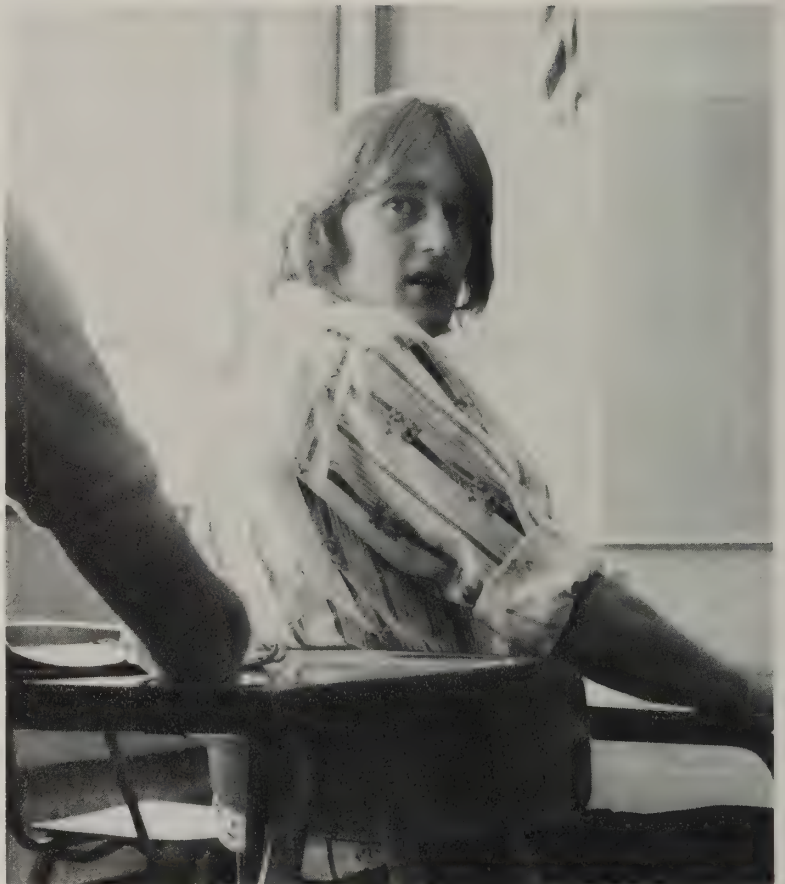

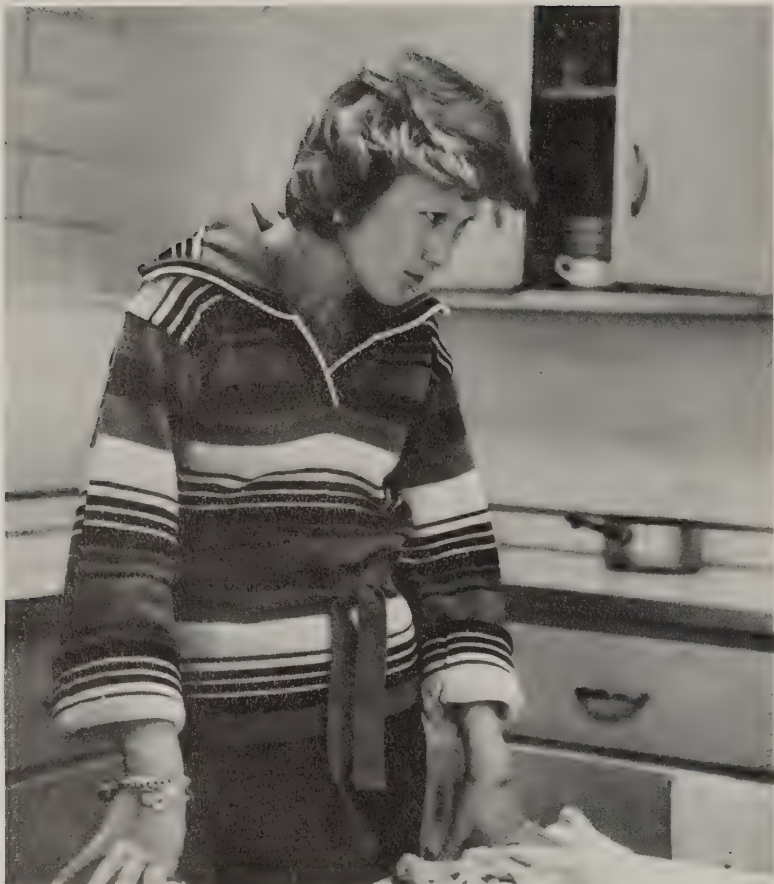

Memories may be beautiful and yet,

*what's too painful to remember, we simply
choose to forget.*

THE WAY WE WERE

Slowly

Music by MARVIN HAMLISCH

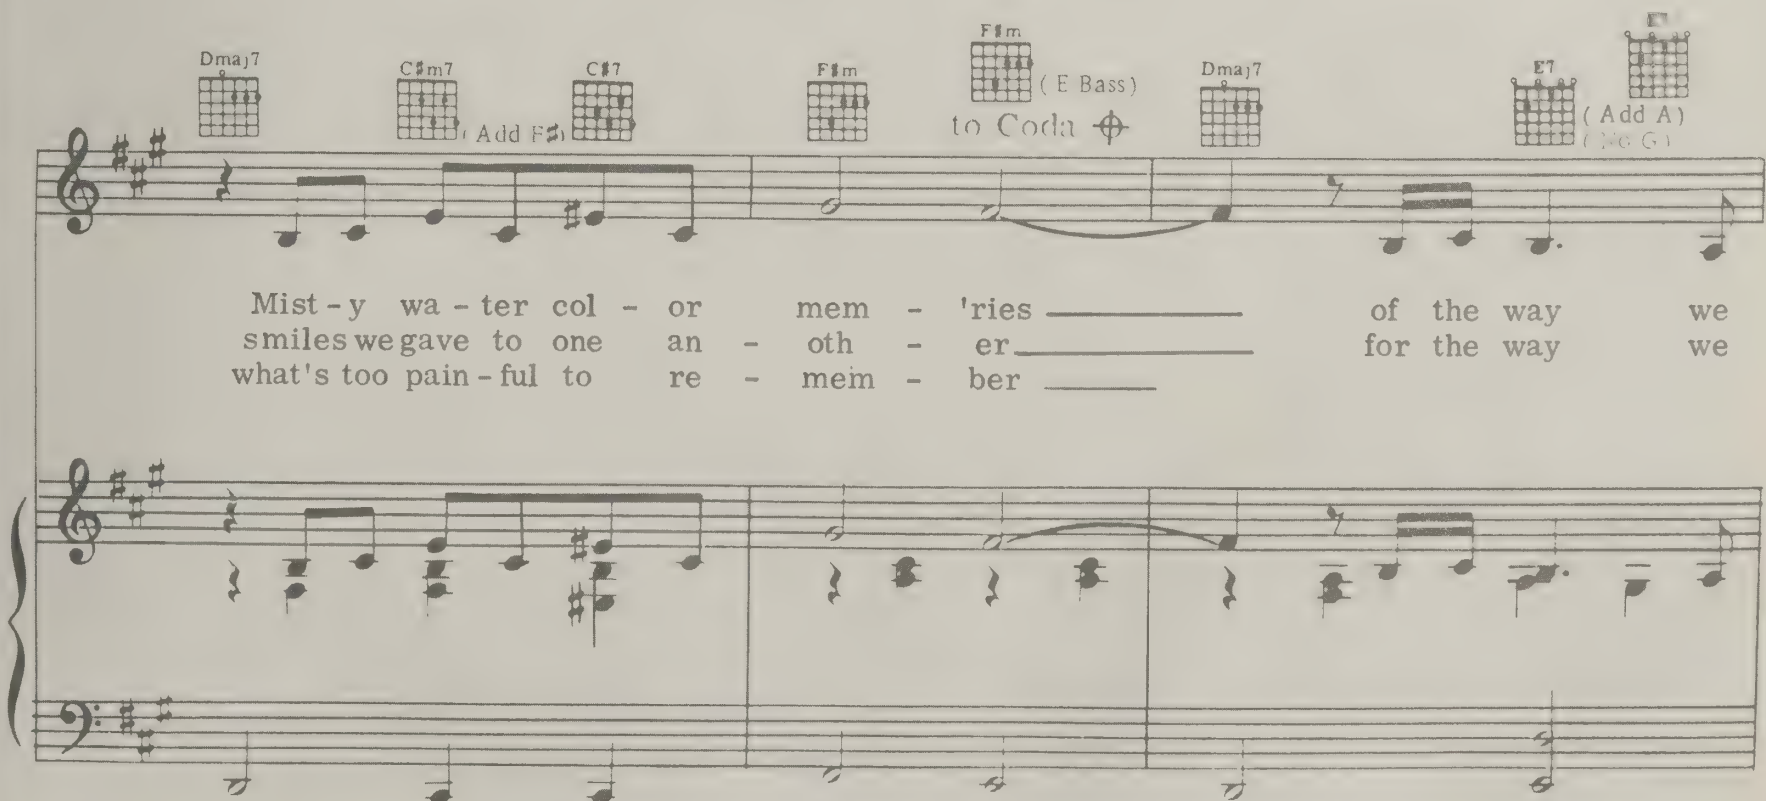

Mem'ries — light the corners of my mind.
Misty water color memories — of the way we were;
Scattered pictures of the smiles we left behind,
smiles we gave to one another —
for the way we were.

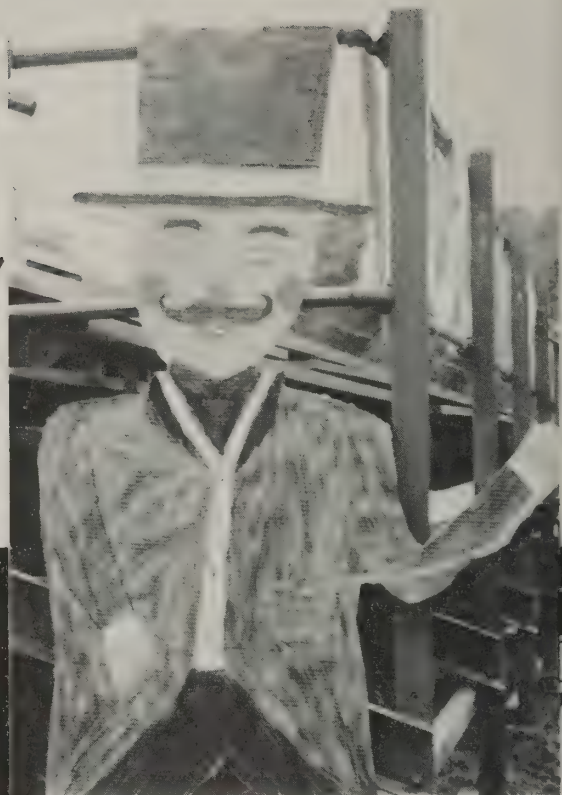

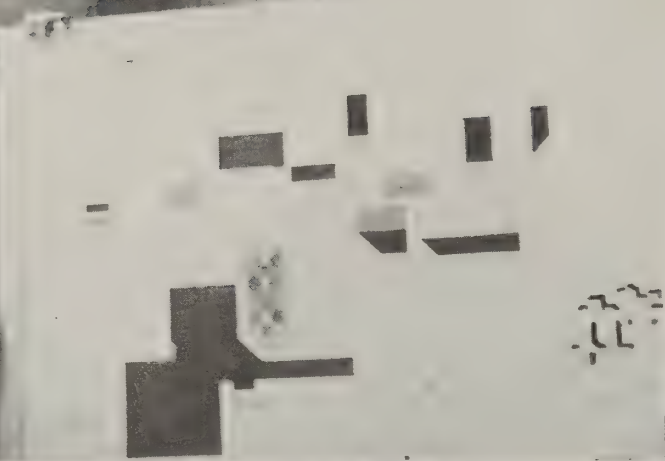

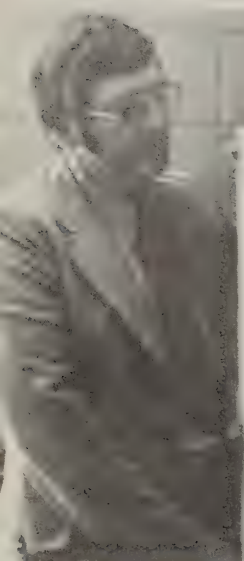

Can it be that it was all so simple then,
or has time rewritten ev'ry line?
If we had the chance to do it all again,
tell me would we? Could we?

Mem - 'ries — light the cor - ners of my mind.
pic - tures of the smiles we left be - hind,
Mem - ries may be beau - ti - ful, and yet,
what's too painful to remember —
we simply choose to forget.
So it's the laughter we will remember,
Whenever we remember the way we were.

Mist - y wa - ter col - or mem - 'ries — of the way we
smiles we gave to one an - oth - er — for the way we
what's too pain - ful to re - mem - ber —

Fall

The First Day brings
back many things —
The drudgery of study hall,
The smiles of friends,
New books,
New experiences,
New words,
New work.

Cross Country

Coach Pollock was very pleased when the cross country team ended the season with a record of 5-2. This gave them third place in the conference. Returning lettermen were Dan Willeford and Mark Yokum. Dan was also Highland's best runner. Other seniors on the team were Toni Pecora, the only girl runner, and Per-Olaf Hanssen, our foreign exchange student.

Football

Entering the suburban league proved a challenge to head coach Ring, and his tactics centered around capitalizing on other team's mistakes.

Coach Ring was also proud of the work the defense did. Credits to our defense were Rocky Paliotto, senior hard-hitting linebacker, who managed to intercept two passes in the first five games, and Nick Schkurko, who added a dazzling job in the defensive backfield.

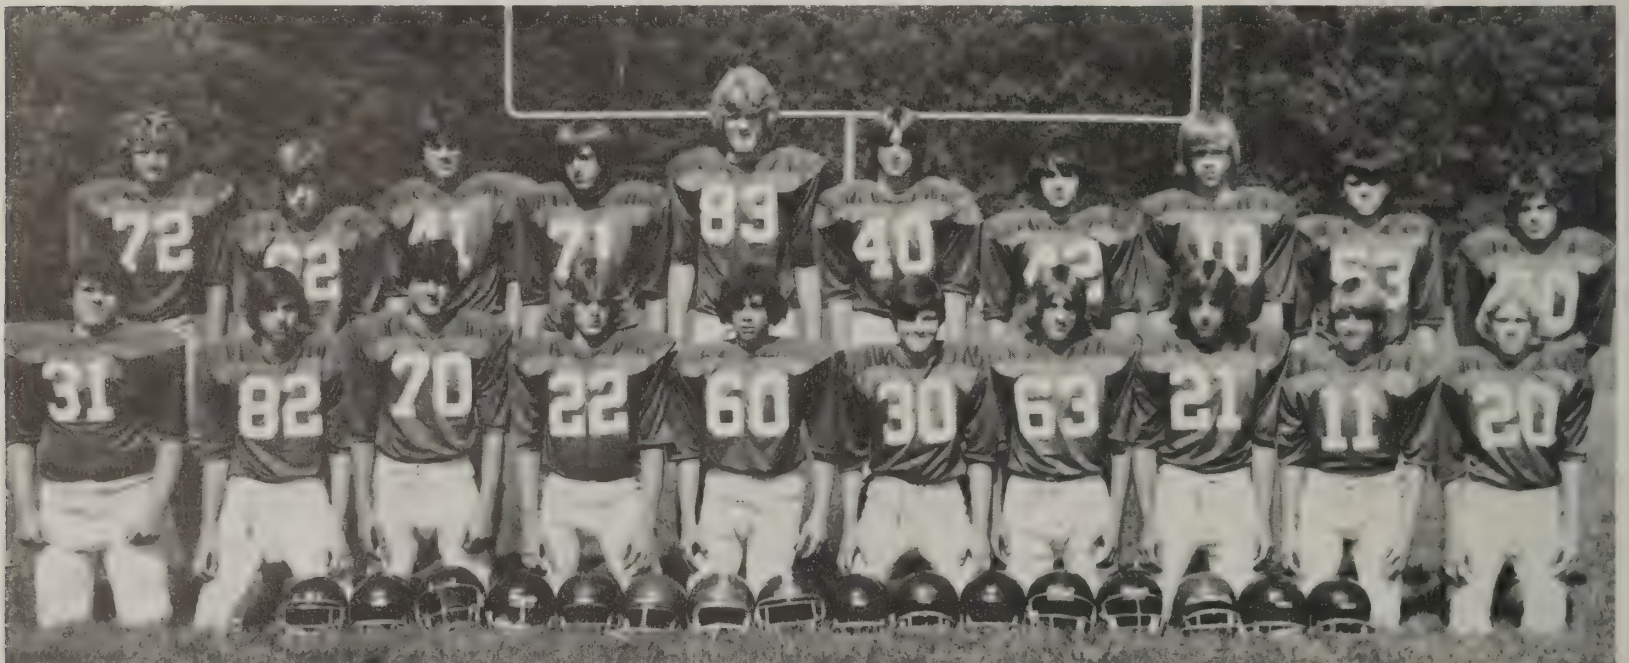

Starring with an exceptional job in passing was co-captain Dutch Baker, who also added two interceptions in one game to his credit. The other co-captain was returning letterman Jon Dick.

Well-planned Highland strategy in action.

Homecoming 1976

Homecoming 1976 was well attended by over two hundred people. Those in attendance were entertained by the band "Sand Dog". Having been named queen at the bonfire on Thursday evening, Diane Brantner reigned along with her court, as seen above. 'The Wizard of Oz' was chosen as the theme and became the focal point of the activities both on Friday night at the football game and on Saturday in the gym as it was transformed into the Land of Oz.

Volleyball

Ending the season with a 2-5 record, the Volleyball team had a better-than-it-sounds year. With many games going into overtime, returning letterpersons Cheryl Paytosh and Sue Sexauer contributed greatly. Also adding to the girls' advantage in the new league's fierce competition was the attendance of a volleyball camp by Sue Sexauer, LuAnn Tsipis, and Jill Santee during their summer vacation. Coach Pucci was very satisfied with the girls' efforts, as was team captain and chief motivator Cheryl Paytosh.

"How many times must I tell you, get that elbow straight?"

"You don't really think either one will sink it, do you?"

Golf

Coach Keating was basically disappointed with the golf team's performance since they finished last in the conference. In addition to regular season matches, the golf team participated in the Brunswick Tournament. Many of the regular season matches were played at Sharon Country Club and practice was held at the Western Reserve Golf and Country Club.

Coach Keating looks on as Don Parsons gets set to putt.

THE 1976 HIGHLAND MARCHING BAND.

Marching Band

This year's Marching Band saw two major changes, one: new uniforms (pictured opposite page) done in the true Scottish Highland style, and even more important the addition of a new director, Mr. Giordano.

Under the direction of Mr. "G", the band presented many entertaining half-time shows and took third place in field and parade maneuvers in the Western Reserve Tournament of Bands at Wadsworth, in the AA class.

N.H.S. members attending the J. V. S. are Tim Queer, Karl Osborn, Anita Hall, and Gudrun Swoboda.

N.H.S. and Y-Teens

The Y-Teens are teenage members of the Y.W.C.A. They are a service club and attempt to be helpful to the community. One of their biggest projects is the sale of Carnations for Valentine's Day. Although postponed by weather difficulties, it is hoped to be rescheduled and a success.

The National Honor Society is a group of select students who are chosen on the basis of their leadership, scholarship, character, and service qualities. Part of the excitement of belonging to the N.H.S. is the induction ceremony when new members are "tapped".

N. H. S. members; front row: C. Ensworth, K. Pocta, C. Paytosh, M. Schodowski. Middle row: L. Goldbach, J. Papp, D. Willeford. Back row: M. Snyder, J. Dick, K. Sturm, and R. MacDowell. Missing: M. Berry and S. Lang.

Library aides — Bottom row: P. Sturm, E. Cook, H. Piller, J. Hinzman, V. Kurnot, B. Loomis, B. Burnside, M. Bohai. Top: S. Pollock, K. Lipowski, L. Loomis, L. Hoinke, J. Rapenchuk, J. Lehman, D. Jucikas, T. Dick.

School Aides

Thanks to the numerous small jobs that our school aides have done, all the big jobs were made possible.

Coaches' and athletes' problems could be tended to because of all the help Mr. Cranston's aides have given him by running errands and doing clerical work.

The library aides have gained invaluable experience as to how a library operates and have certainly made use of the library much more pleasant.

The cafeteria has been kept running at a smooth pace due to the work of the cafeteria workers. In the process they have learned what courtesy and cooperation are all about.

The office and counselors' office workers have certainly made use of both these places nicer by helping both students and faculty.

People Behind the Scenes

Mechanic, Fred Massarelli, shows that he works hard.

Mr. Swain takes a break from his many duties, to give us a smile.

Mr. Louk and Mr. Shook are always ready for action.

Mrs. St. Clair, Mrs. Plummer, Mrs. Matthews, and Mrs. Juris do their daily job of creating our meals.

The people of the road from left: Marianne Smith, Jeannette Smith, Bonnie Short, Don Brown, Virginia Bambeck, Jan Hood, Nancy Kalfas, Charlie Berry, Dee Summers, and Otto Farris. Basketball

Entering the Suburban League proved a challenge, if not a surprise to the basketball team. Leadership came from co-captains Jon Dick and Dean Tsipis, while other senior standouts were Rocky Paliotto and Mark Yokum. A hinderance to the season came when injuries put Bill Jones and Larry Grindle on crutches, and benched Craig McDuffee with a broken finger.

Helping from the bench when fouls got heavy were Dan McVay, Mark Snyder, Mark Bury, and Paul Lindenmuth. Also assisting the Fleet were coaches "Mouse" With-erup and Fred Pollock.

Mike Bonezzi and Mark Bohai devoted much time to managing the Varsity and Junior Varsity teams.

J.V. Basketball Back row — Coach Pollock, D. Wiita, J. Crabtree, R. Kolar, M. Duta, P. Sheppard, S. Harrison, N. Orchard. Front row — Manager M. Bohai, G. Ulrich, T. Piar, P. Piazza, J. Tsipis, D. Parsons.

The thrill of victory and the agony of defeat.

Chris Riehm tries to break out of his opponent's hold.

"Gee, I never learned how to tango like this in my dance lessons."

Wrestling

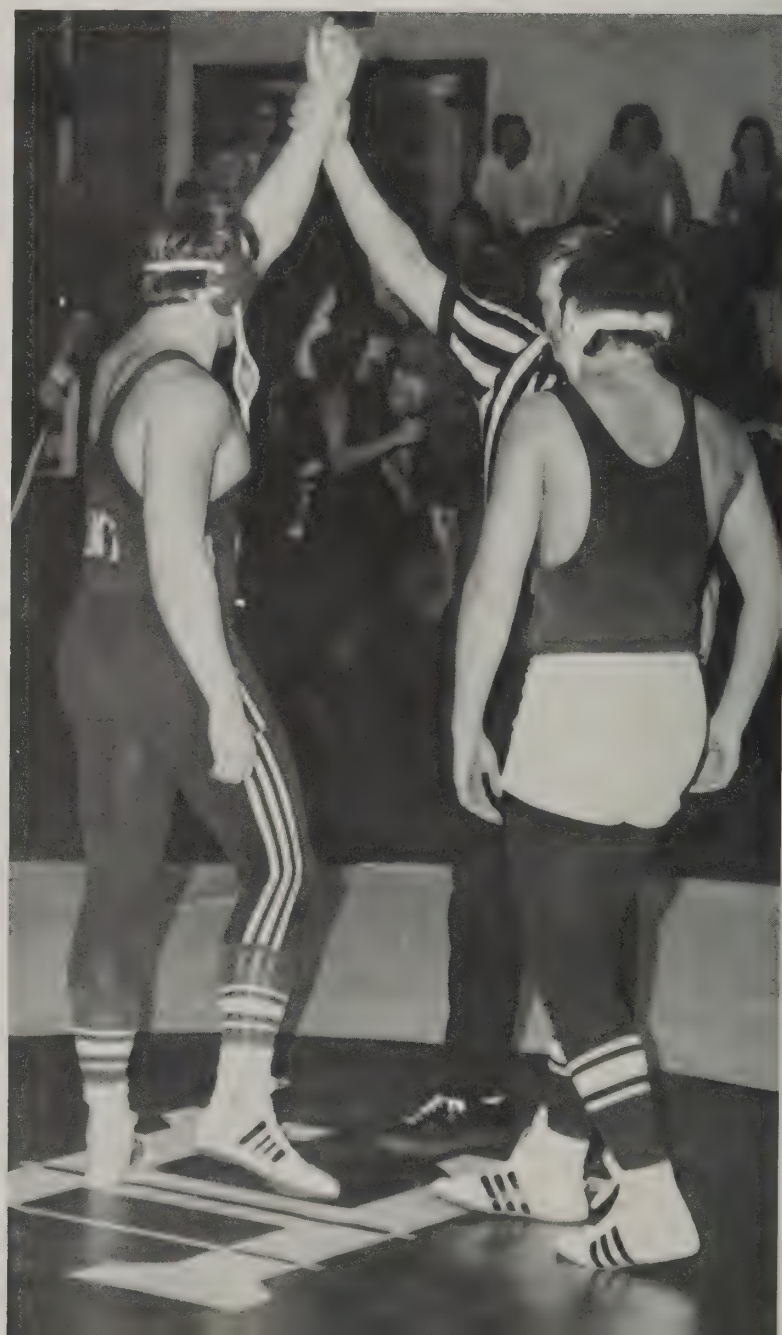

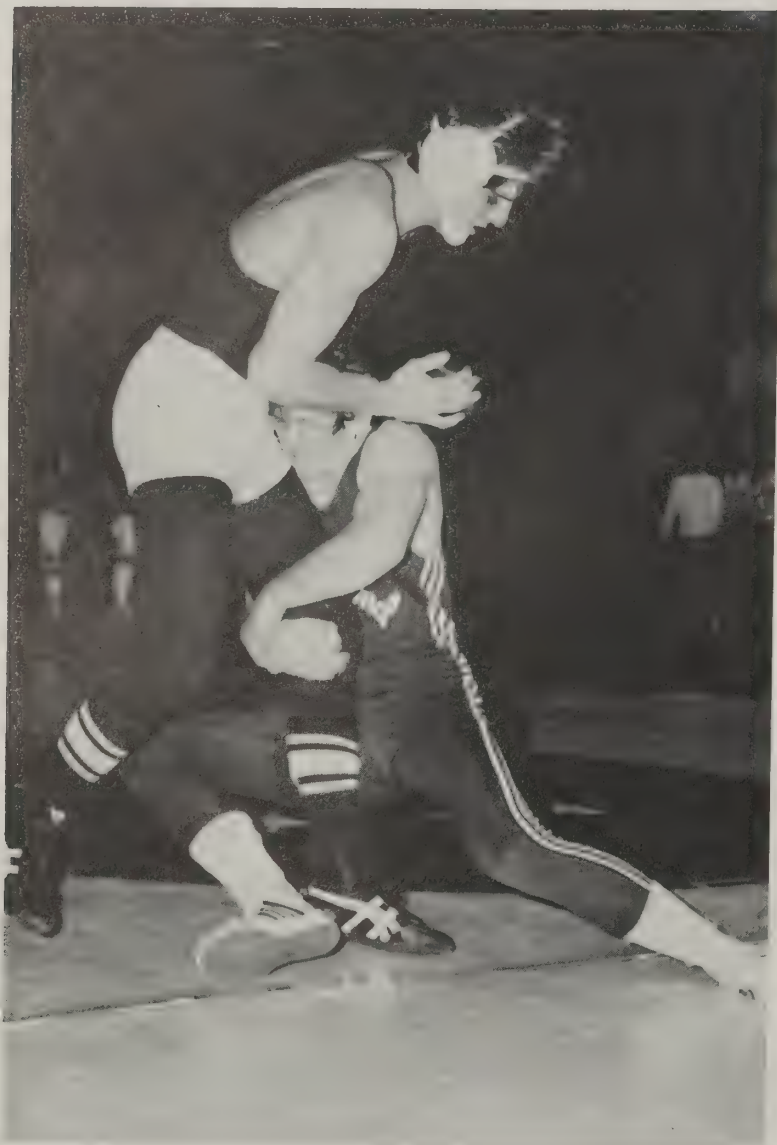

Though there were several weaknesses in the wrestling team's performance, the major being the inexperience of some of the starting line-up, Coach Florian was satisfied with the turn out of events. He said they displayed the best attitude he had seen in his four years as coach at Highland. After losing to Brunswick in the season's first match, the team became much stronger and the line-up more solid.

Jeff May tries to take down his opponent.

"You do the hokey-pokey and you turn yourself around . . ."

L'il Sis — First row — T. Winter, C. Rostas, C. Grever, L. Stauffer, M. Dannery, M. Schodowski, J. Hinzman, L. Sherman, N. Senick, P. Brown, C. Campbell, N. Prtenjak. Second row — L. Webster, N. The referee carefully watches the match.

Congratulations to the winner.

Girls Basketball

After a change of coaches early in the season, the girls basketball team got off to a good start. Lead by three year letterperson Cheryl Paytosh, the team was supported by the experience of Sue Sexauer, Cindy Cahill, and Paula Moon. Devotion was shown as the girls maintained a practice schedule throughout the temporary school closing due to the shortage of gas. With the large number of girls who turned out for the program, it looks as if girls sports are finally on their way.

Cheerleaders

Co-captains Mary Ann Burns and Lori Ciammaichella headed this year's Varsity squad, while Shelia Barnes was the J. V. captain.

Aside from leading cheers at pep rallies, football and basketball games, the girls sold programs, decorated the locker room, and worked to build enthusiasm among the student body.

MCJVS

The Joint Vocational School has proven to be another success this year. The Joint (JVS) has opened up many doors for students, not only from Highland but also Black River, Brunswick, Buckeye, Cloverleaf, and Medina.

The available career training programs offered range from art communications to horticulture. In many programs projects are done such as rebuilding and overhauling an engine in Auto Mechanics.

The experiences learned in the "Joint" helps gain the students employment or to continue their education.

Administration

The main purpose of the Board of Education is to form the policies and programs used in the management of the Highland Local Schools. In addition to this, the Board devoted much time to the passing of the bond issue in the November 1976 election. They received much assistance in this matter from Mr. Cowger and Mr. Baum, the new assistant superintendent. The school board also worked on keeping the community informed by holding open forums on school and school related issues in the fall. They also published a newsletter as a public service.

Mrs. Baum is the assistant clerk.

Office and Guidance

Though not visibly related the main office works closely with the guidance on such matters as registration, scheduling, crediting courses for permanent records, attendance and many others. Mr. Stone, Mr. Brenner, Mrs. Winter, and Mrs. Kaufman work in the main office aiding students and teachers with the everyday activities and Miss Dybiec and Mr. Florian work closely with students by being available for discussion in the guidance office. All of these people help our school days pass more smoothly and we appreciate the hard work they do.

F.H.H.; F.T.A.; Y.F.C.

The FHH club consists of any girl who is taking or has taken Home Ec and would like to join. They have banquets throughout the year such as Father – Daughter and Mother – Daughter. At the end of the year they usually have a campout – picnic.

The Future Teachers of America is not necessarily all students who wish to enter the teaching profession. It is a group who are interested in helping and tutoring anyone that needs it, though they are usually sent to the middle school. In the Spring they are given the opportunity to teach for two days in any chosen class.

Y.F.C. is a group of students who are believers in Christ. The meetings are varied – every other one an "Impact" meeting of study and thought, while the intermingled ones are for fun.

Spanish Club

Language Clubs

The language clubs give the members a chance to practice their skills in other than a classroom atmosphere. Any person who is or has taken a language may belong to the respective clubs. Besides the normal meetings, the groups have parties, and the upperclassmen in Spanish club usually do skits.

'77 Highlander

The yearbook is an extention of everything that goes on in a year. In an attempt to do this, a lot of hard work must be accomplished in a short time. Under the advice of Fr'Ott; editor Jenni Papp and assistant Carol Broniman guided the staff through various problems and hassles that go along with the publication of any book. (No, Carol you can't put "... and they wear their uniforms every Friday ...")

Stinger Staff Editor Becky MacDowell and advisor Mr. Jagunic.

Stinger

The Stinger is Highland's occasional newspaper. Occasional only because of the lack of interest on the part of the Student Body. The staff worked hard and the papers put out were good. It is hoped that more enthusiasm and interest will be shown in the future.

The Stinger Staff: D. Buckley, Editor B. MacDowell, L. Lenhard, J. Papp, A. Watkins, C. Broniman, D. Weaver, B. Loomis, V. Kurnot. Back row: D. Hartman, H. Guttermuth, D. Tsipis, M. Snyder, M. Gresock, L. Nandrasy, B. Berry, advisor Mr. Jagunic.

Student Council; Racquet Ball; Varsity H

The Student Council is a group of elected students who attempt to keep students informed as to school policies. Their actual power is limited but they try hard. The Council sponsors sock-hops, Homecoming, a talent show and various other events throughout the year.

Racquet ball took the place of tennis this year. The participants play once a week at Springside Racquet Club and have truly enjoyed learning the fast moving and exciting game.

Varsity H is composed of any member of the student body who has earned a Varsity letter, regardless of sex or sport one has competed in.

Special Seniors

"Special Seniors" is a new addition to the yearbook. By doing something a little extra, these students have brought recognition to Highland.

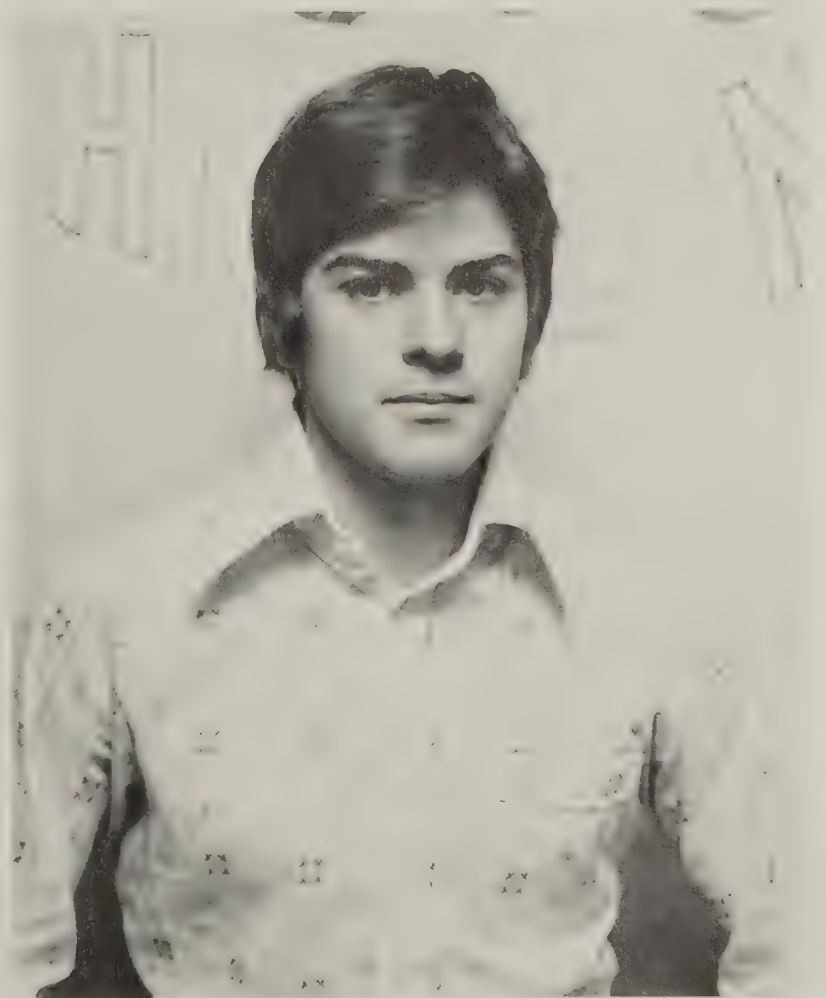

By attending an Engineering Seminar, a Writers' Workshop, and an History Seminar each of the students respectively feels they have added a bit to their formal education.

Another new feature to Highland is the presence of foreign exchange students. Per is from Sweden and will continue his education there next year after his "vacation" at Highland. Rosa will attend Highland until the end of the first semester next year and then return to her native Brazil.
